

Member Fee Schedule

This fee schedule is exclusive to services provided by dental offices participating in **Fresh Dental Plan** ("Plan"). "Member Pays" is defined as the dollar amount that Plan members in good standing pay for dental services rendered by a participating dental provider, while "Member Savings" represents the percentage discount on the usual and customary fees typically charged to uninsured, self-pay patients. Unless otherwise specified in this fee schedule, plan discounts do not apply to services performed by a dental specialist (i.e., periodontics, endodontics, orthodontics, and oral surgery) or dental hygiene products (e.g., chlorhexidine, toothbrushes, etc.). Member savings and plan incentives are exclusive to participating dental offices. Exact member savings and availability of certain procedures may vary by location. *"New Member Visit" available to newly enrolled members only during their first annual membership term; renewals and re-enrollments are not eligible.*
